MOVING IN THE

High school years are spent giving our lives directions. We learn, make friends and join activities that will benefit our future in numerous ways. Our parents and faculty serve as the directors of our lives guiding and leading us through the maze of our teenage years. Everman High School has been a major stepping stone in the lives of many students. It has provided the ground work for educational opportunities and benefits.

STUDENTS RECEIVE

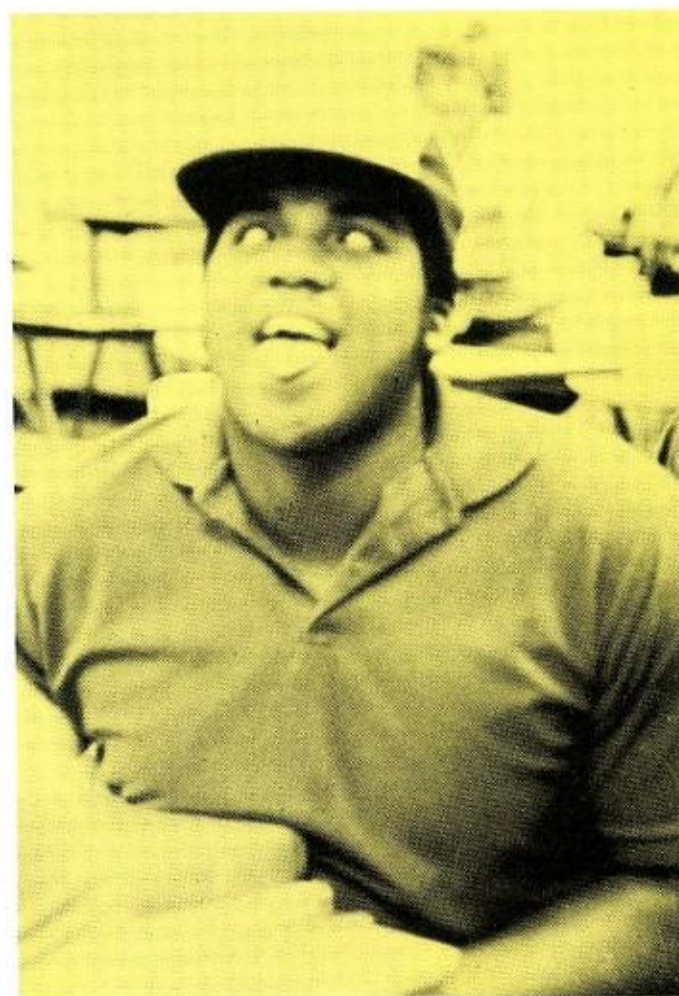

The students of Everman High School enter not knowing the fun and excitement that faces the life of a high school student. Our entrance was not only to find fun but also to find teachers and counselors ready, willing, and able to help direct us in the goals we had hoped to reach and the fields we wished to enter. Many excellent departments were available to help direct us in the enhancement of our own personal skills and to stimulate our minds in ways that we will use throughout the rest of our lives.

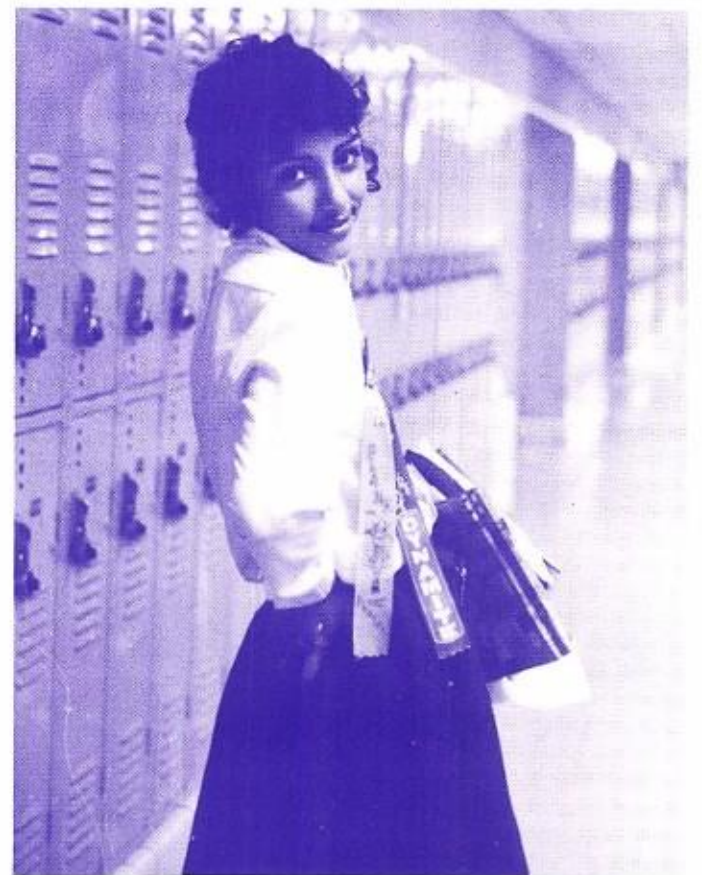

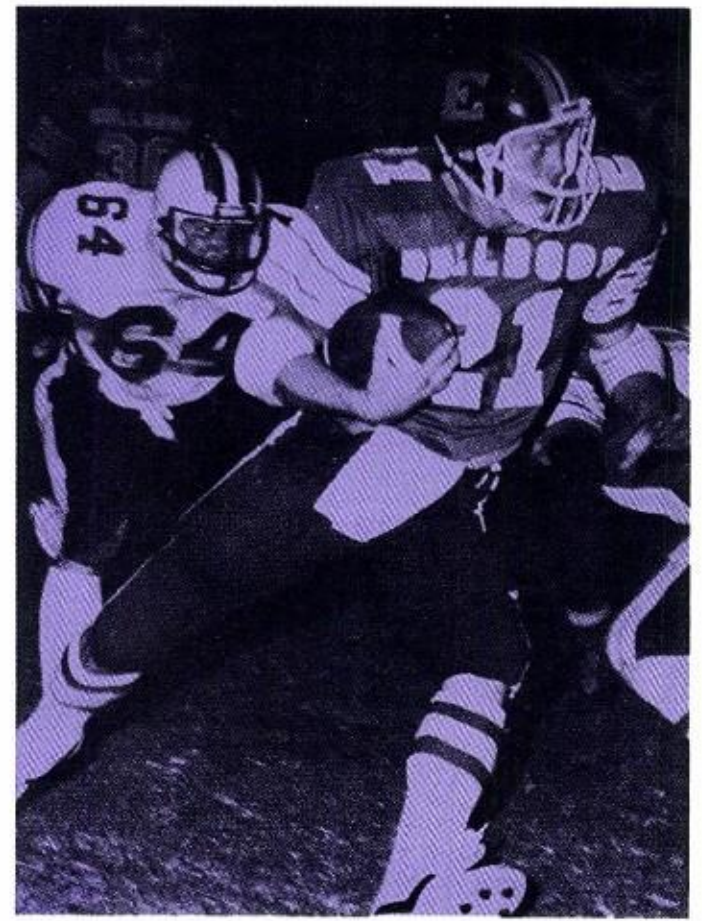

Upon our exodus from EHS, we were filled with many memories which we will cherish. When we look back at our BEACON — our guiding light — we can look at all the friends we made that helped us make it through the four years of high school life. We are also able to face the future with many forks.

The Flag Corps also received a 1 in their division.

The band was also successful at U.I.L. Competition on the S.M.U. Campus, placing tops in their category. The band did an excellent job performing at games and playing at pep rallies.

The Senior Pep Rally was a moving experience for underclassmen as well as Seniors. Though it was not the end of the year, it was a time for "good-byes" and "I'll never forget you" phrases. The same school song we sang at every pep rally held new meaning for Seniors for this was the final choral tribute given to our school. Emotions ran high. Happiness, mixed with a feeling of loss for years and friends gone by, filled the gymnasium. Many of the Senior football players, cheerleaders and drill teamers were finishing an activity that was ended forever. A whole phase of life ended but a new door opened for the Seniors of 82.

HOMECOMING 1981: FULL

Homecoming 1981 will hold many memories for all. The players — they will be able to recall this hard fought game with the thought that they went out and gave it their all and that this was something that they had looked forward to all year. The fact that they also won the game is something that they will be able to recall happily too. The cheerleaders — they will be able to recall this game as a memorable experience that could never be felt at any other time of the year and that this was a special game, not just any ole-run-o-the-mill game, it was the Homecoming. The students — they can recall this as a time when E.H.S.'s spirit was at its all time high. For the Seniors of 1982 — it will be recalled as a happy occasion because their Homecoming was made a winner. It will also be recalled as a sad occasion because it will have been the last homecoming that they will be a part of as a student of E.H.S.

The day of the homecoming spirit was alive in the school all day. This spirit seemed to be picked up by the players and it showed in the game. It also showed in the way they played. A 46-6 slaughter of Crowley proved that the E.H.S. Bulldogs are "tough."

Homecoming 1981 will be especially memorable for Kathy Brannon, Donna Black, Jan Rodgers and Holly Hill — the Homecoming Queen nominees. The only sad thing is that only one person can win. Kathy Brannon was the lucky young lady. Kathy may be the winner, but all of the girls were winners.

Homecoming 1981 overall was a spectacular stepping stone in the direction of the happy lives of all E.H.S. students!

LOVE IS IN THE AIR

Valentine's Day holds a very important meaning for all the sweethearts at Everman High. This year was no exception. Carnations, love potions, and singing telegrams, sold by the Student Council, helped put "Love in the Air." Many of the girls received a dozen long stem roses or balloon-a-grams from their favorite guy. These are just a few of the many ways love was shared on this day.

Each year during February the nation celebrates the efforts and successes of Black Americans. Everman celebrates this month by designating one week to honor the accomplishments of Black People. This year the week of February 1-5 was allotted to decorate the halls and have several successful speakers to speak on Black History. An assembly was presented at the end of the week sponsored by the Awareness Club. The program was made spectacular by such guests as Bert Williams, Ft. Worth City Councilman, and the Dunbar Jazz Band. Tracie Green opened the assembly by singing the "Black National Anthem." Mr. Williams presented a speech on this year's theme — Blueprint for Survival. The Dunbar band played several selections under the direction of Carl Scott.

"On the road to victory"

Girls Varsity Basketball has always been an outstanding asset to E.H.S.'s sports department, and this year was no exception. The winning spirit of the team was so intense, energy was simply rising from the basketball court as cheering crowds ebbed the team on to certain victory. The most outstanding feature of the group would be the "oneness" expressed in every action made by the players. Trying to single out one "star" player from all of these excellent athletes was difficult if not impossible. Their achievements on the basketball court can only be described as sensational.

BEACON MAKES IT HAPPEN

The 1981-82 annual staff was made up of eighteen students interested in journalism. Their work began before the school year when they attended a four day workshop at the University of Texas at Arlington. In that short time, each staffer learned to write copy, measure picas and began the never ending struggle of layouts. The year began with a storm of deadlines and never ended until each student had their precious yearbook in hand. The hard work and headaches pay off in the end with a memory book that will last for years and years.

Staff members this year include: A. Marshall, B. Browner, M. Kilgore, S. Peets, R. Bozeman, S. Brown, T. Cheek, P. Simms, D. Black, C. Williams, G. Null, T. Buckendorf, R. Brookshire, B. Knight, T. TEACHER

This year the Senior class elected Miss Janice Stepp and Mr. David McCollum as the teacher favorites. Miss Stepp has been teaching at Everman High for three years after attending U.T.A. and graduating with a major in athletics and a minor in English. She has been active in E.H.S. life not only teaching English but also coaching both girls basketball and girls track. Mr. McCollum has been friend and companion to many students in his impressive nine year career at E.H.S. He graduated from Tarleton with a Masters Degree in Education. Once qualified to teach, Mr. McCollum returned to the one place where he knew he would be needed and appreciated.

Runners-Up for teacher favorites were Mrs. Betsy Samuelson and Mr. Gary Dugger. Mrs. Samuelson graduated from Texas Tech University with a Bachelor's in Education and went on to receive her Master's Degree at Texas Christian University in Liberal Arts. She has taught at E.H.S. for twelve years, and has participated as debate coach for seven successful years. Coach Dugger attended North Texas State University and majored in English. He has been coaching Varsity football and Freshmen basketball for five consecutive years. Through his coaching and teaching skills, Coach Dugger has been an asset to E.H.S.

F.C.A. BASKETBALL

The Fellowship of Christian Athletes sponsored a basketball game on January 23rd to raise money to send their officers to a summer workshop. The game was played by the male faculty members who were coached by Mr. John Reed, and the senior football players who were coached by Ken Hart. The faculty won with the score of 44 to 36. Both teams played extremely well and everyone involved had a great time. The game was such a success that it has been planned to be made an annual event.

GOOD DIRECTIONS FINISH

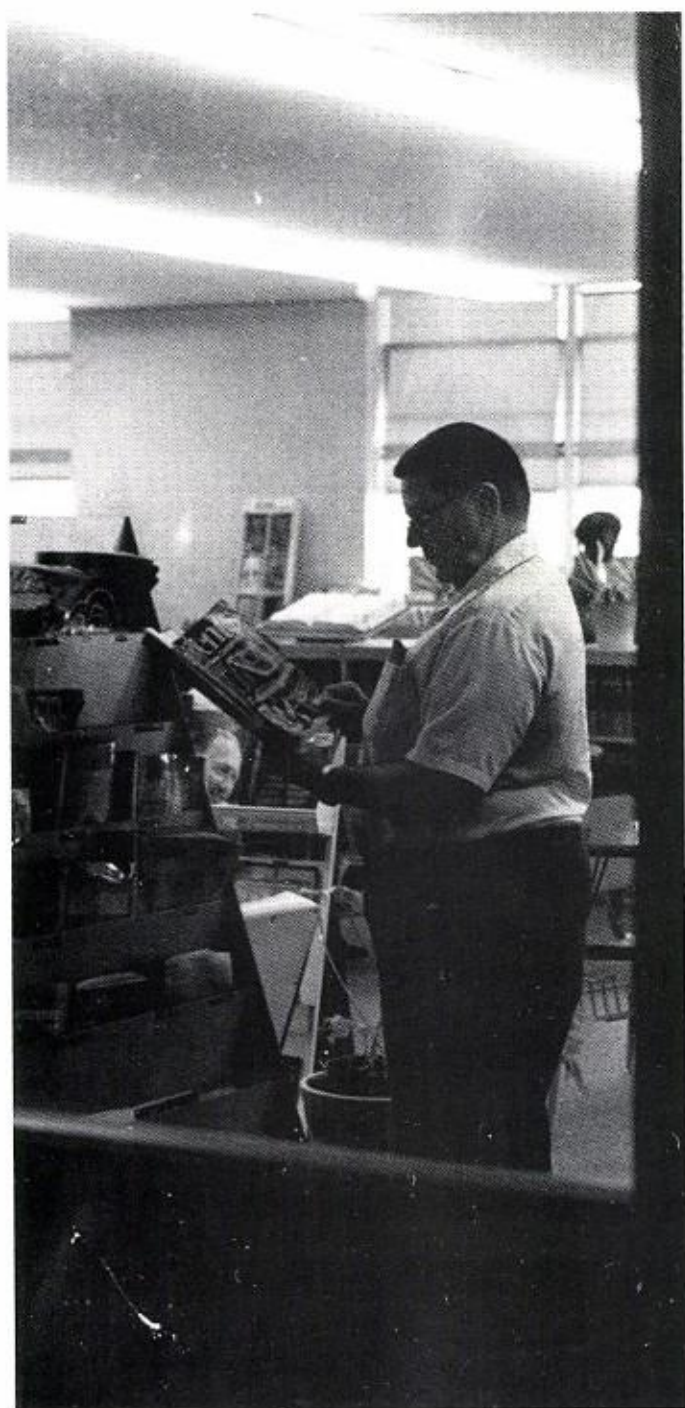

As the school year ends, the students of Everman will have taken their lives in various directions. Some may go off to college, work or marriage; others will return to E.H.S. for another year of learning and fun. And thus, the lives of students have been altered by their experiences in Everman. High school years impress patterns in our lives that will never wear away. Faculty, parents and fellow students have guided one another through rough times but as we close this focal point of life, we can see the beams of light ahead "as future years unfold."

SUCCESSFUL YEAR

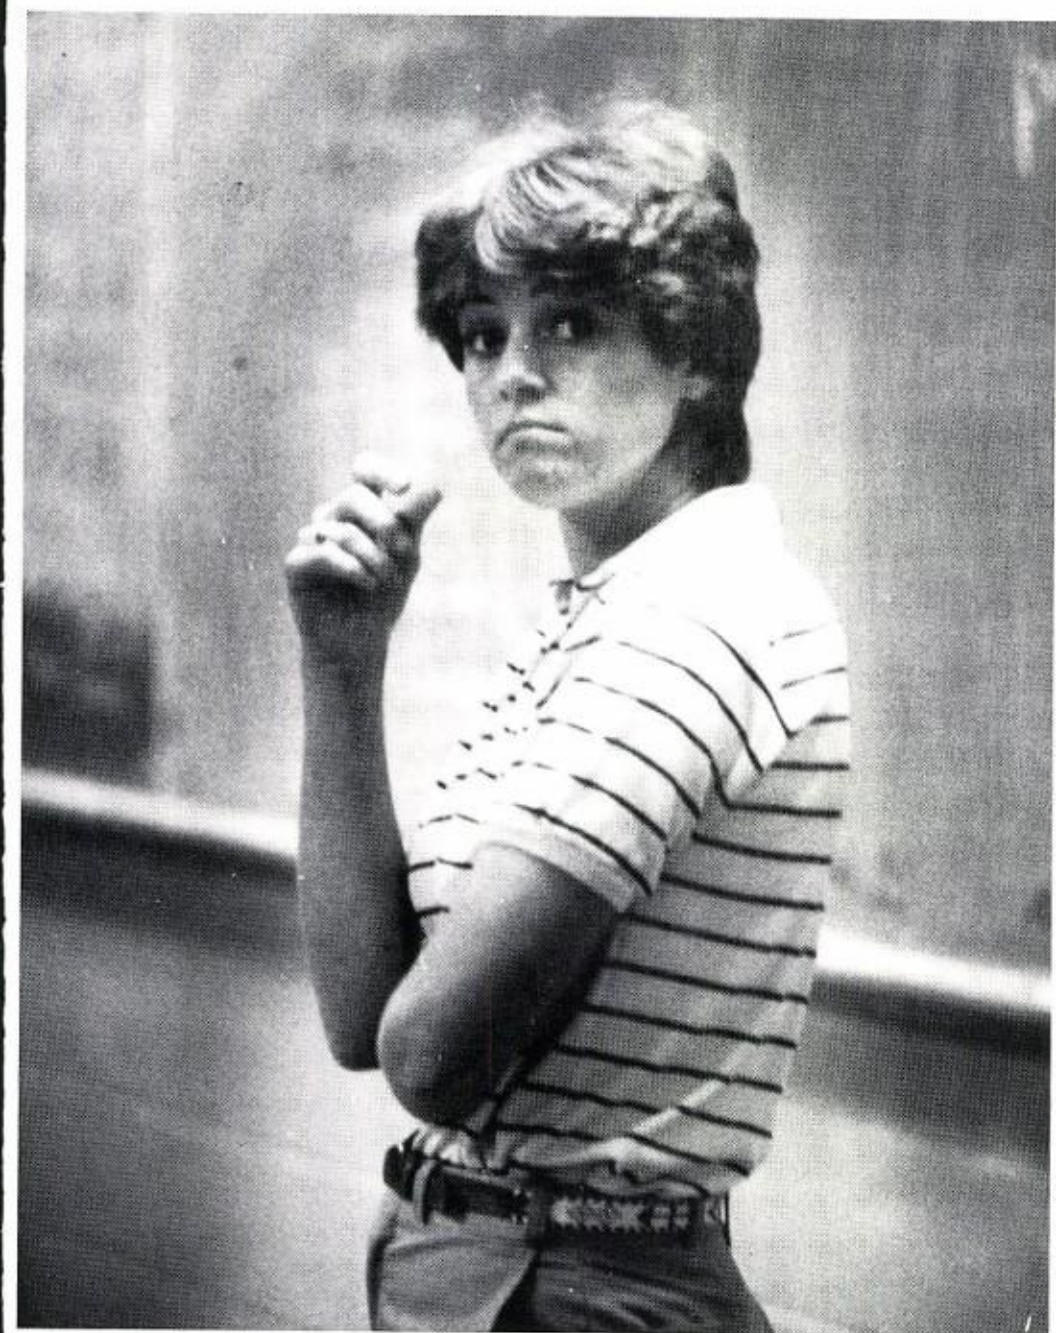

The Senior class is grateful to the great faculty for all their dedication, work and patience. Without their guidance and direction the upperclassman would be facing a world with no cushions to fall back on. Seniors are special people; they've paid their dues and while on the verge of "freedom," apprehension of a cruel, hard world is apparent in every phase of their life. Torn between wanting to leave and the fear of the unknown, Seniors can be moody, rowdy and emotional at the drop of the hat. A salute to the Seniors, a hard working group, pushing and pulling together, ready to face the world outside of E.H.S. Taking along a scrapbook of memories to look back on in years to come, the Senior class of 1982 is gone forever. Goodbye and good luck in whatever direction your lives may take.

TAKING AIM

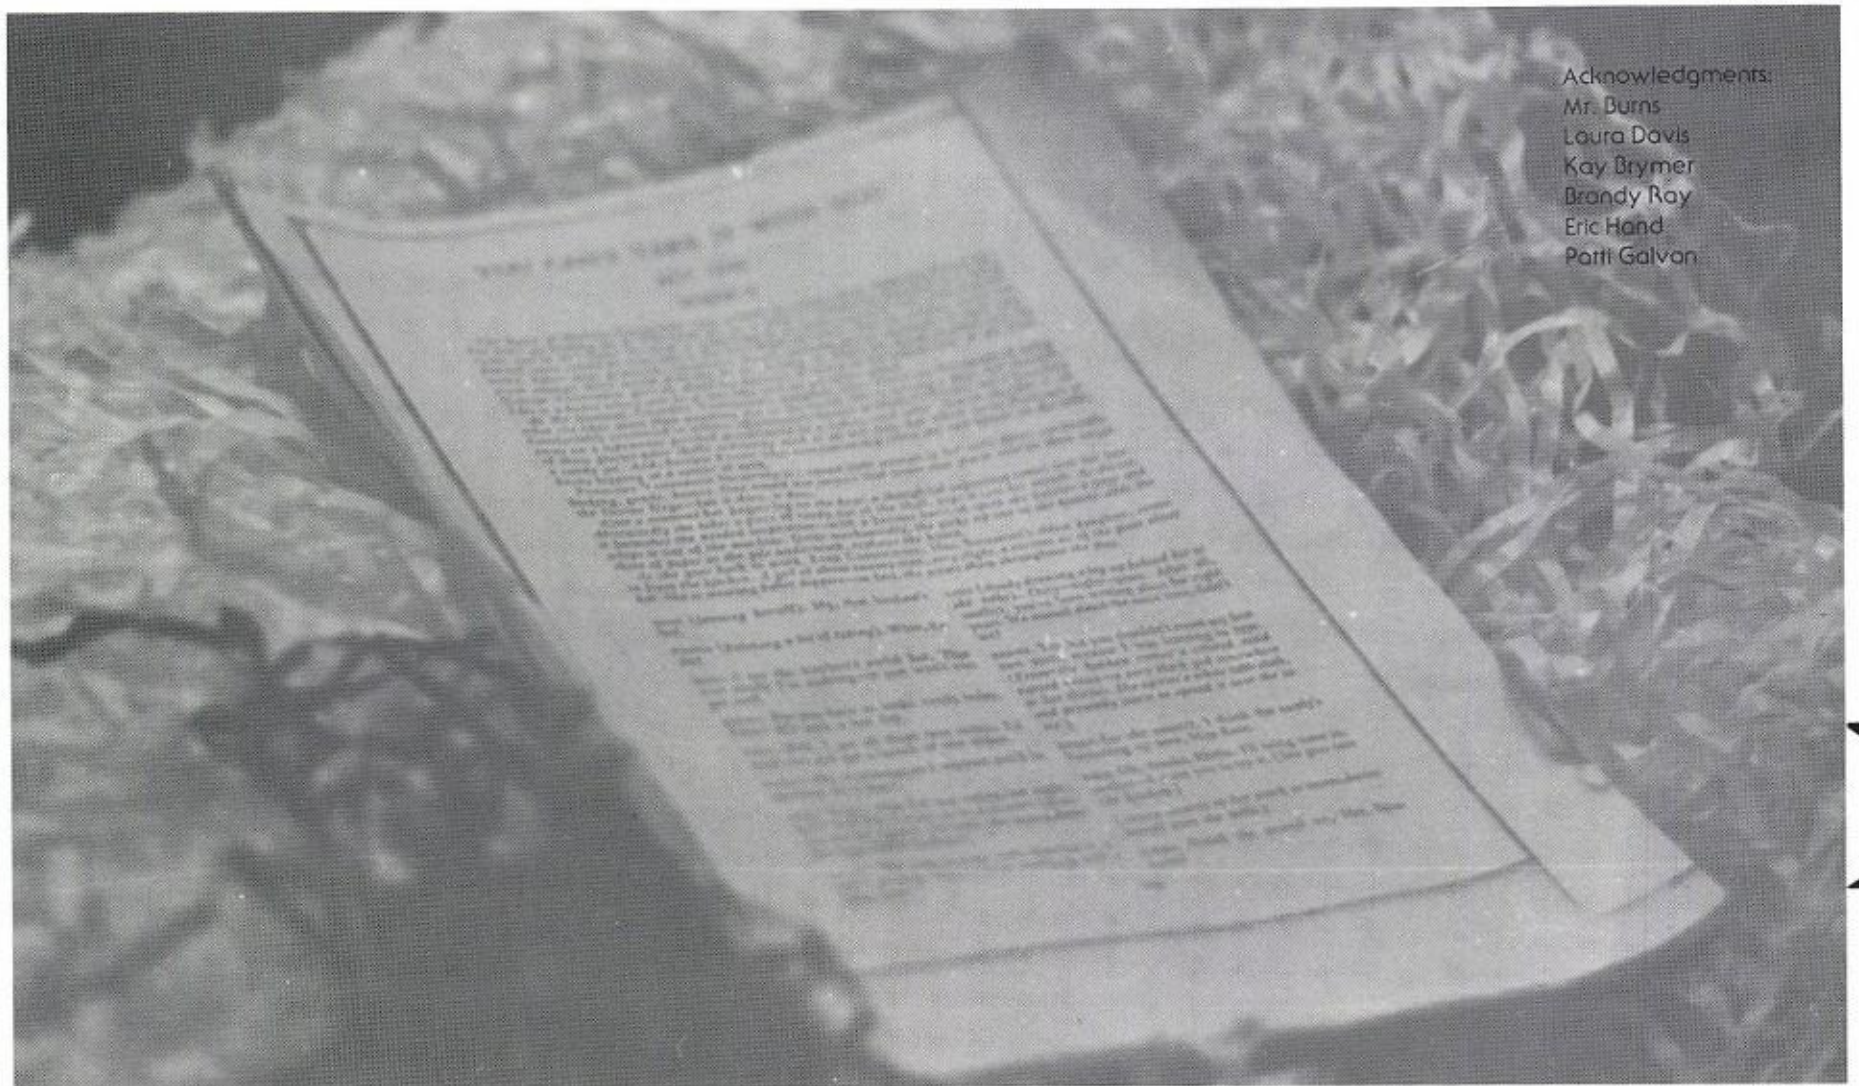

FOR THE FUTURE

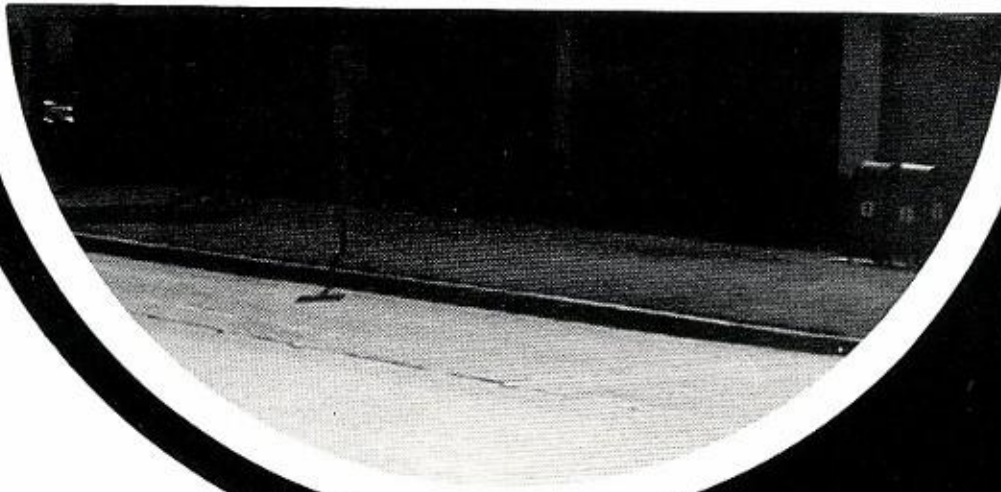

Time passed, we learned, fought, loved and won many victories ... together. With each step we took, hand in hand, we became closer, stronger and united as a group with one goal ... to graduate!! We have traveled far and have farther yet to go. Much ground is to be covered and with the guidance we received in E.H.S., we can travel the journey with a load lessened by knowledge alone.

Sandra,

You're a super good looking young lady that I happen to care a lot for. I hope you'll have a blast for the remaining years of school. When you become an attorney and drive a Mercedes 450SL you better not forget to get me my vette. (or else) With your looks and intelligence I know you'll go far and life so don't settle for anything but the best. Have a great summer, and best wishes for the entire rest of your life.

Love
Doug

P.S. See ya this summer.

Sandra,

I'm real glad we became better friends this year. I know, I haven't been the greatest person towards you. And, I know we didn't use to get along. But times are different and, we've grown up and realized that it's childish to fight and argue. You're a real nice person with lots of brains. And, I know you'll get whatever you want out of life. Good luck always. See ya at Dalton's! Also good luck with Mitchell + group! Love
